Late fee at 1 day past due	\$0.00	\$288.31	\$288.31
TOTAL	\$12,139.20	\$14,501.40	\$2,362.20 Clune Savings

The figures presented here are intended to highlight the advantages of leasing through Clune & Company, LC. As indicated, we do not have any "hidden" or surprise charges either during or at the end of a lease. Other leasing companies may have all, some, or none of the charges indicated in this comparison. Consequently, the customer is encouraged to investigate the potential for these charges in any non-Clune leasing alternative.
